New Employees

Please welcome Jeffrey Ciolkosz, James Lukes, and Casey Olson to our street crew labor Team.

Please welcome Justin Drehmel, Garry Merta and Blake Rieder to our Redi-Mix driver team.

Please be sure to say hi and introduce yourself and be sure to help them with any questions they may have. Welcome to the Haas Companies Team!

Outstanding Employee Recognition

Received a letter from a motorist that encounters our trucks often:

Dear Mr. Haas,

Over the years, I have encountered your trucks and drivers more times than I can count. As an avid cyclist, I put on thousands of miles each year, most of them in Chippewa Falls, Tilden, and Wheaton. Last Thursday, at approximately 5:40 pm on Highway N in Chippewa Falls, I was passed by one of your drivers. While most people are eager to get home with the end of their shift approaching, this driver took the time to slow down and provide more than enough room between myself and the truck. This is not the first instance one of your drivers has provided me with a safe environment.....it has happened every single time one of your trucks have passed me on the road. Daily, when most vehicles pass me, this is not the case (even though I am in a neon yellow jersey and have three flashing lights on my bike. It is usually the complete opposite). With all the negativity in the world these days, I thought I should share my appreciation with you and your team. The way your drivers travel throughout our community speaks volumes about your team's commitment and dedication to keeping our community safe. Please pass on my gratitude to your team as they deserved to be recognized. I wish all of you a safe and successful season!

Best regards,
