## Cleaning up after yourselves!

Taking care of the equipment is your responsibility (this includes taking your garbage home everyday or properly disposing of any garbage you accumulate for the day). Spit cups are also a big problem and are not allowed in any of the equipment. The picture you see below of the garbage on the ground was left in this piece of equipment. This is **not tolerable** and is rude for the next person operating this piece of equipment to have to deal with. ***We don't want to live in a trash can. Stop making it one.***

**TAKE CARE OF  
THIS EQUIPMENT  
IF IT DOESN'T WORK  
... NEITHER DO YOU**

## Reminder Company Credit Card Holders

Company credit card holders. Please hand in your credit card receipts as soon as possible. It makes it hard to reconcile the credit card statement when receipts are missing. Menards rebates have a due date that needs to be met. If you don't hand in the rebate receipt in on time or at all we may have to start charging you for the missed rebates!
