Dump Truck Driver Reminders

When loading your trucks with materials, be sure to write down on your driver ticket the product name that is listed on the sign by the pile you are loading, even if the work order says something else. Thank you in advance for helping us identify the exact products you are hauling; this will help to keep inventory accurate.

Way to go Paperwork Warrior

Great job Ryan Duffy and Jeff Abbott for an outstanding job on filling out and turning in your paperwork on time. This helps things go so much smoother when you take the time to fill out and turn in the proper paperwork.
